

Message: Track Bulletin 2001 - 1
From: Delaware Valley Chapter, BMW CCA, Inc.
Lou Millinghausen, Driving Events Chairman
Location: Pocono – 2.5 IMSA Course
Event Date: June 26, 2001

The Delaware Valley Chapter, BMW CCA, Inc. is planning an event at Pocono International Raceway on June 26, 2001, utilizing the 2.5 mile IMSA long course.

Participation in this event will be restricted to experienced drivers, Instructors and Club Racers. In car instruction would most likely only be offered on a limited basis by prior arrangement and written request. This is not a Club Race. Driver School Passing Rules will apply and be strictly enforced.

Initial word of mouth response to this event has been very enthusiastic. Due to the size of the track we believe the event can support up to 200 cars.

Your cooperation is appreciated to respond on or before February 2, 2001, (email preferred), confirming your serious interest to attend. This will enable us to better plan the event, and moreover, determine registration pricing that is as affordable as possible for all participants.

An Event Application and Tech Form will be made available by email or fax only, based upon your response to this message.

Registration will open in March, refer to the application. We will take all properly completed, first day postmarked regular USPS surface mail applications and randomly select from the pile. No metered mail and no express mail or Fedex.

RSVP: Please confirm your intention to attend and provide your name, email address and fax number.

Please RSVP to: Louis A. Millinghausen
